The California Statewide Interoperability Executive Committee (CALSIEC) was established in 2003, by the Director of the Governor's Office of Emergency Services (OES), to consolidate California's administration of state and nationally designated Mutual Aid (interoperability) channels, and to fulfill California's responsibilities outlined by the Federal Communications Commission (FCC) in 47 C.F.R. §90.525.

To address the requirements of regional communications interoperability, while maintaining a statewide framework, CalSIEC established four (4) Planning Area subcommittees in 2004. The Northern Planning Area consists of the following counties: Butte, Colusa, Del Norte, Glenn, Humboldt, Lake, Lassen, Mendocino, Modoc, Nevada, Plumas, Shasta, Sierra, Siskiyou, Sutter, Tehama, Trinity, and Yuba.

Meeting Purpose: To continue to lay the groundwork for the establishment of the CALSIEC Northern Planning Area to work in collaboration with the statewide CALSIEC (<http://www.calsiec.org/>) and the Public Safety Radio Strategic Planning Committee (PSRSPC) (<http://psrspc.ca.gov/>). **Read ahead and educational materials for the meeting are on the CALSIEC website as are minutes from the first Northern Planning Area meeting on August 23, 2006.** The full agenda will also be posted on the CALSIEC website (<http://www.calsiec.org/>).

This meeting is open to the public. Lunch will not be provided. This is a working lunch meeting, so please *bring your own lunch or indicate preference to purchase a lunch at the meeting* (\$8.50 per person includes sandwiches, salad, drinks, and dessert) *when you RSVP*. Representatives of Federal, State, Tribal, County, City, and Special District Public Safety agencies, and non-governmental organizations with FCC Public Safety Radio Services eligibility are encouraged to attend and participate. OES welcomes RSVPs from attendees for planning purposes. **To RSVP**, or for more information on the California Statewide Interoperability Executive Committee, please contact: Samita Singh 916-324-7206 or Samita.Singh@ohs.ca.gov.
